Executive Council Update
Commissioner Elt Hasbrouck shared the State Appropriation information. House Bill 562 was signed by the governor, establishing that the public health district state general fund distribution formula will be set for two years and meetings of the districts’ Board of Trustees will be subject to open meeting laws.

Boards of Health Resolutions
Russ Duke reviewed the three resolutions to be presented at the Idaho Association of District Boards of Health (IADBH) annual meeting.

- Resolution to Support Evidence Based Home Visitation: This resolution has been revised from an earlier version. JFAC provided state general funds to the health districts for home visitation to start this Spring and be available to use over a two-year period.
- Resolution in Support of a Medicaid Family Planning Waiver or State Plan Amendment: The resolution has been updated to include options for either a waiver or a state plan amendment and a whereas statement was added to reference the federal Hyde Amendment.
- Resolution to Establish Fees Based on Actual Cost to Administer the Food Safety Program: Rob Howarth provided an update on the process and discussions among the districts and industry representatives.

Child Protective Act Update
As part of the Child Protective Act, all Idaho Public Health Districts will oversee a Citizen Review Panel in their district. The responsibility will be placed in our Health Policy Program under the Division of Community and Environment Health.
