Boise County Health Coalition Meeting Agenda

Thursday, January 26th, 2023 9:00am – 10:00am Garden Valley School 1035 Banks Lowman Rd, Garden Valley Conference Room

Welcome & Introductions	Mindy Curran
Attendees: Rebecca Sprague, Connor Young, Randy Thompson, Dawn Gillis, Brian	
Hunicke, Mindy Curran	
12 Sector Updates? Who did you invite?	All
We filled Dawn into our 12 Sectors document, and planned for other sectors for	
members to reach out to. These people will reach out to the following organizations	
to join the coalition:	
**Randy: Nutrition Coordinator's husband may be able to fill the faith-based and	
food security sectors	
**Dawn: Will reach out to 2 local mental health counselors and the VFW chapter to	
invite to the coalition	
If you would like to send these people an invite to the coalition, and provide them	
with more information about the coalition, please give them this link to view the	
Boise County Health Coalition landing page: <u>https://cdh.idaho.gov/bchc.php</u>	
Presentation on Student Family Assistance Programs	Connor Young
Connor gave an excellent presentation and overview of the SFAP program that CDH	
helped implement in Ada county schools. This program may be expanded and	
brought to Boise County schools if supplemental funding can be secured. Connor is	
already working on sustainability plan to continue the SFAP programming past the	
Dec 2024 funding end date.	
Dec 2024 funding end date. Please feel free to watch the presentation and recording of the coalition meeting

Re	iew and discuss the CHANGE tool sample survey	
Μ	ndy created an example of the CHANGE survey that will be given to the various	
ide	ntified organizations, in hopes of gathering valuable information about the health	
ne	ds of the community in an anonymous way. The following recommendations for	
ch	nges were made about the survey:	
	1. electronic delivery of the survey may work the best for some sites, as it has a	
	higher likelihood of being completed and turned in	
	2. On the survey, we want to collect information about where people reside not	
	just the location of the site.	
Sta	rt plugging sites in to a sector site list	
	started discussing and brainstorming sites for each sector. Sites within Idaho City	
	Garden Valley were covered, however, no input from Horseshoe Bend was	
	led. Please view the following document and email Mindy to let her know which	
	anizations in your community that you think we should contact and ask to	
	ticipate in the CHANGE tool: <u>BCHC CHANGE Sector Sites</u>	
Pa	an pare in the on more coon <u>bone change sector sites</u>	
Ple	ase let Mindy know if you're having difficulty viewing.	
	dates and announcements	All
Ce	tral District Health has approved funding for the next year to help support the	
	litation of the Boise County Health Coalition. Hooray!	
He	ther Allan the CDH partnerships for success coordinator has successfully	
	lemented a partnership with Horseshoe Bend schools to incorporate 3 rd	
	lenium Classrooms into their substance use curriculum in return for providing	
	g test kits to the schools. Hooray Heather!
