

cdh.idaho.gov/covid-vaccine | healthandwelfare.idaho.gov/covid-19-vaccination

Anyone 5 years and older may receive the COVID-19 vaccine. Individuals can directly reach out to vaccine providers. If you have questions about vaccines or need help being connected to a vaccine provider, you may call CDH's COVID-19 Information Call Center at (208) 321-2222 M-F, 9 am to 3 pm.

*Those who are **5 to 17 years old** may only receive the Pfizer vaccine. It is currently the only authorized vaccine for these age group.*

Booster doses are available at pharmacies, clinics, and healthcare providers. Adults aged 18+ may consider getting a Pfizer or Moderna booster based on individual risk factors.

- **Those eligible for a single booster dose of the Pfizer and Moderna COVID-19 vaccine are those who received their second dose of the vaccine at least six months ago. Those eligible for a single booster dose of the Johnson & Johnson (Janssen) COVID-19 vaccine are those who received the vaccine at least two or more months ago.**

This list is updated as changes occur. Neither proof of eligibility nor a prescription is required, and all doses of the vaccine are free of charge to the person getting the booster dose.
