

Overdose Prevention & Response Training

Training Participants Will:

- Learn how to prevent, recognize, and respond to an opioid overdose, including the administration of two forms of naloxone.
- Gain an understanding of Idaho's Good Samaritan Law.
- Learn where to access naloxone, other overdose prevention tools, and recovery support services.
- Receive a certificate of attendance.

Who Should Attend?

- This *free* training is designed for all community members, including bystanders, first responders, and support services professionals.
- Training content and format are tailored to meet the needs of participants.
