

SWIMMING POOL CONSTRUCTION CERTIFICATION AND PLAN SUBMITTAL

As per Idaho's RULES GOVERNING CONSTRUCTION AND OPERATION OF PUBLIC SWIMMING POOLS, No person shall construct or remodel any public pool until plans, specifications, and a plan review fee have been submitted, and the Director's designee has issued a letter of acceptance. Plans and specifications shall be prepared by an architect or engineer licensed to practice in the State of Idaho. The architect or engineer's plans, specifications and reports, shall contain information sufficient to demonstrate the proposed pool is in compliance with these rules and shall so certify.

PLAN SUBMISSION

A complete set of plans shall be submitted to the District Health Department consisting of the following:

Plot Plan: A site plan with dimensions showing pool, buildings, area lighting, fencing, decking, spectator area, access to pool, sewage and water system if non-municipal.

Pool Construction

Plans and specifications showing the following:

1.	Section 070:	Plumbing
2.	Section 071:	Electrical
3.	Section 074:	Construction Requirements-Corners
4.	Section 075:	Construction Requirement-Finish
5.	Section 080:	Design Detail-Dimensions
6.	Section 081:	Design Detail-Circulation
7.	Section 082:	Design Detail-Shape
8.	Section 083:	Design Detail-Wading Pool (If applicable)
9.	Section 084:	Design Detail-No Diving Sign
10.	Section 085:	Design Detail-Safety Line
11.	Section 090 & 091:	Slope of Floor
12.	Section 100 & 101:	Side Walls
13.	Section 110 & 111:	Decks and Walkways
14.	Section 120,121,123 &124:	Ladders and Steps
15.	Section 125, 130, 131, 132, 133, 134 & 135:	Diving
16.	Section 150:	Ventilation
17.	Section 160, 161, 162, 163, 165 &166:	Dressing Rooms, Toilets, Showers and Hand Sinks
18.	Section 210 & 211:	Depth Marking
19.	Section 220:	Water Quality Standards
20.	Section 250:	Recirculation System
21.	Section 260:	Filtration
22.	Section 300:	Fence and Barriers
23.	Section 310:	Geothermal Pool Exemptions (If Applicable)

CERTIFICATION

In addition to the plan submittal the licensed architect or engineer must also certify the pool has been designed to comply with the rules, specifically the following sections:

Section 070-Plumbing Code

I hereby certify that all electrical appliances and wiring are designed to meet the provisions of Division of Building Safety, *IDAPA 07.01.06, Rules Governing the Use of National Electrical Code.*

Signed: _____ Date: _____

Section 071 - Electrical Code

I hereby certify that all electrical appliances and wiring are designed to meet the provisions of Division of Building Safety, *IDAPA 07.01.06, Rules Governing the Use of National Electrical Code.*

Signed: _____ Date: _____

Section 072 - Uniform Building Code

I hereby certify the building construction is designed to meet the provisions of Division of Building Safety, *IDAPA 07.03.06, Rules Governing the Use of the Uniform Building Code.*

Signed: _____ Date: _____

Section 081 – Circulation

I hereby certify the circulation system is designed to meet the provisions of sections 250,251,252,253, 254,255, 256,261,270,271,280,281,282,283, 284,285,290,291,292.

Signed: _____ Date: _____

Section 170 - Water Supply

I hereby certify the water supply is designed to meet the provisions of this section.

Signed: _____ Date: _____

Section 180 - Sewer System

I hereby certify the sewage system is designed to meet the provisions of this section.

Signed: _____ Date: _____

Section 220 - Water Quality Standards

I hereby certify the pool is designed to provide for continuous disinfection of the pool water and meet the provisions of sections 220, 221, 222, 223, 224, 225, 226 & 240.

Signed: _____ Date: _____

Section 260 – Filtration

I hereby certify the filtration system is designed to meet the provisions of this section.

Signed: _____ Date: _____

General Construction & Design

I hereby certify the construction is designed to meet the provisions of sections 073, 074, 075, 090, 091, 100, 110, 111, 120, 121, 122, 123, 124, 125, 130, 131, 133, 134, 135, 160, 161, 162, 163, 164, 165 & 166.

Signed: _____ Date: _____
