YBHCCC GRANT

Technical Assistance (TA)

The Idaho Department of Juvenile Corrections (IDJC), in collaboration with the Idaho Department of Health and Welfare (IDHW) are pleased to announce Technical Assistance for bidders interested in the Youth Behavioral Health Community Crisis Centers grant application. IDJC and IDHW are proud to partner with People USA to provide expertise and guidance to bidders on designing, developing and implementing crisis response services, specific to establishing crisis centers. Their expertise will help bidders align their proposals and program planning with SAMHSA's National Guidelines for Behavioral Health Crisis Care. Bidders should plan to come prepared with their questions. This session will be recorded so any bidders not able to attend may access the TA via a YouTube link. We look forward to seeing you then!
