Request for Variance Proposal

Provide a statement of the proposed variance of the code requirement. Cite the relevant Code section and section number. Please use additional pages if the space provided is not adequate.

Relevant Code Section Number

Relevant Code

Statement of proposed variance

Describe the potential health hazard. Describe the rationale for how a public health hazard addressed by the Code will be alternatively addressed by the proposal.

Include a HACCP plan or standard operating procedure that food service personnel will know and follow, if required by the Registered Environmental Health Specialist. See section § 8-201.14 (above) for instructions for a HACCP plan and a Standard Operating Procedure (SOP).

Prior to submitting, this document must be complete and include the HACCP or SOP per the Registered Environmental Health Specialist’s instructions.
