Meeting Location:

Doyel Ray Hope Center 1140 Airbase Road (W 6th S) Mountain Home, ID 83647

MISSION

To bring together and work with community partners to empower our communities through strategic initiatives that advance equity and health for present and future generations

Agenda

12:00 – 12:05 PM Welcome and Introductions

Attendees: Kelsey Cooper, Taylor (MH Parks and Rec), Allan Carroll, Christy Acord, Mary Ferguson, Delecia Carroll, Ali Shields, Amy Balzer, Joel Cruz-Haber, Vicky Jekich, James Gilbert, Kate Johnsrud, Beth Deschene, Krystal Powell

12:05 – 12:10 PM Results of Temperature Check Survey Mindy Curran

After reviewing the results from the Temperature check survey, some follow up actions will be taken into consideration:

- 1. The end date for the action plan will be pushed out to end in December 2023, with a mid-year check in/summary to be published in June for CDH and other partners.
- 2. Mindy will be sending discussion topics for committees to address, if haven't addressed them already, to touch on: Meeting in-persn for committees, recording committee conversations, reevaluating timing of committee meetings to allow for essential partners to be involved (e.g. school personnel).
- 3. The survey input was split on the best way to collect data among the different committees. However, in the discussion, it was mentioned that it is important to keep the data that we collect simple, easy, and low barrier (for coalition members and for

participants/ residents). It was also mentioned to make sure we have a baseline to measure progress from. So, Mindy will revisit the evaluation criteria proposed at the last meeting, and try to create a standard data collection "form" for coalition members to fill out when hosting an event or program that is promoted by ECHC. The form will need to include areas for qualitative data to be collected as well. More to come on this.

12:10 – 12:30 PM Committee Updates: Nutrition, Nicotine/SUD, Mental Health Nutrition Committee Updates:

A Cooking Matters facilitator training has been scheduled for January. Hooray! Please follow the directions below to sign up to be trained. There was a glitch in the system, and some people who thought they signed up, it turns out, did not go through. So please go in again, and follow these instructions to get signed up for a training \bigcirc

1: Go to:

Mental Health Committee:

Ali is working on an article on behalf of the mental health committee to share with the newspaper on the topic of beating the winter blues and tips for a healthy New Year.

Nicotine/SUD Committee:

Allan is getting CatchMyBreath trained to facilitate trainings, and is going to be hosting a parent presentation in February.

12:30 – 12:45 PM Discuss requested agenda items:

Social Media Pages for ECHC
Propose Social Media Manager position

We talked about the pros and cons of what would be of starting a social media page and having a coordinator for this role. It was decided there was not enough time to discuss this in detail. If you are interested in weighing in on this conversation, please reach out to Mindy ASAP (mcurran@cdh.idaho.gov). We will be having a separate conversation about this possibility before the next coalition meeting.

Updating the Elmore County Resource Manual

Resource manual is still used in more rural areas however the resources are outdated. Perhaps not having printed copies, but having it updated online, and able to br printed when needed. The problem with FindHelpIdaho is that, for those that need printed copies, FHI would not be very feasible. We need to get some feedback from CHEMS about their use of the guide, and feedback about the clicks on the online resource guide. Use that data to guide us. Mindy will also reach out to United Way and investigate the options of FindHelpIdaho trainings. Kelsey mentioned there are online trainings available as well.

 Executive Committee, Committee Coordinators, Membership Application

<u>Executive Committee:</u> We ran out of time to discuss the changing of the executive committee (this will be addressed later).

Committee Coordinators: The Nutrition Committee and/or Nicotine/SUD committees are looking to find new committee coordinators. A committee coordinator would: schedule and facilitate committee meetings, take notes and upload them in the shared committee Google Drive, help keep the momentum of the committee objectives moving forward. The committees are ideally where the true progress is made for the coalition! The estimated time commitment for this is about 2-3 hours a month. Please reach out to Mindy (mcurran@cdh.idaho.gov) if you have the time/capacity to be a committee coordinator.

<u>Membership Agreement:</u> Please fill out the following form if you haven't already, to commit to becoming a formal coalition member who is able to vote on future coalition matters. Here is the form: https://forms.gle/P2FZfmRQSezWXrtx6

If your name is in Blue below, you're an active participating member (have attended at least 3 meeting this year), and have a membership agreement on file. No need to fill out agreement. Yellow have membership agreement on file, but have not been

Yellow have membership agreement on file, but have not been active. Please fill out the membership agreement again.

White have no membership agreement on file, and may or may not have been active. Please fill out membership agreement if you plan to be active and would like to vote on future coalition matters

12:45 – 1:00 PM Roundtable Updates, Announcements, Ideas- Open to all

Christy brought up an opportunity, about utilizing a small building next to Desert Sage in Glenns Ferry to offer health services out of. 2 bedrooms, a front entry room that can be used as reception if needed. Details: A full kitchen, 1 bathroom, a graveled parking lot (off street parking) both a front and side entryway. \$800.00/month. Negotiable. Lots of off street parking. This would be a great opportunity to expand services from Mountain Home and Boise into Glenns Ferry. They are in desperate need of mental health, dental, and vision services. If your organization would like to investigate this opportunity further, please reach out to Christy Acord (elmorecountyedpro@gmail.com). We will also be discussing this opportunity further in future health coalition meetings, to bring a one-stop shop to Glenns Ferry.

Christy also asked me to share this opportunity to attend this Rural Mental Health Roundtable event happening February 8th, 2024. The Rural Mental Solutions Roundtable is the third Solutions Roundtable hosted by the WeCAN Peer Learning Network. Across our three states—Idaho, Montana and Wyoming—small towns and rural communities wrestle with a similar basket of mental health issues.

Like the housing and workforce solutions roundtables that came before it, the Rural Mental Health Solutions Roundtable is aptly named. Our focus is on what's working in small towns and rural communities. You'll hear from two keynote speakers, get firsthand stories from communities across our three states, and discuss solutions and approaches with fellow participants. You'll gain inspiration, new connections and ready-to-implement ideas.
