## *What We DO*

We mobilize communities of faith to  
Keep children safe and families  
together.

We host children in volunteer homes  
and provide a network of support  
while caregivers get back on their  
feet.

"Safe Families saved us. They gave our children a place to stay until we got jobs and got back on our feet. They helped our family stay together. This program BLEW MY MIND. I don't think we'd have our children today if it weren't for Safe Families."
